

## MONDAY · November 2

| Time        | Activity                                            |
|-------------|-----------------------------------------------------|
| 09:00–11:00 | Registration                                        |
| 11:00–11:30 | Opening Ceremony                                    |
| 11:30–13:00 | <b>Caputto Lecture</b> · <i>Viviana Rapisarda</i>   |
| 13:00–14:30 | Lunch                                               |
| 14:30–16:30 | Symposia I and II · simultaneous Rooms A and B      |
| 16:30–17:00 | Coffee break                                        |
| 17:00–19:00 | <b>Oral Communications</b> · two simultaneous rooms |
| 19:00–21:00 | Exhibition Stands Visit + Welcome Cocktail          |
| 21:00       | Dinner                                              |

### Symposium Schedule · 14:30–16:30

| Room | Symposium | Section                             |
|------|-----------|-------------------------------------|
| A    | II        | Signal Transduction                 |
| B    | I         | IUBMB Young Investigators Symposium |

### Oral Communications Schedule · 17:00–19:00

| Room | Sections                                                           |
|------|--------------------------------------------------------------------|
| A    | Microbiology + Signal Transduction + Biotechnology + Neurosciences |
| B    | Cell Biology                                                       |

## TUESDAY · November 3

| Time        | Activity                                            |
|-------------|-----------------------------------------------------|
| 08:00–09:30 | <b>Oral Communications</b> · two simultaneous rooms |
| 09:30–11:00 | <b>Sols Lecture</b> · <i>Antonio Zorzano</i>        |
| 11:00–11:30 | Coffee break                                        |
| 11:30–13:30 | Symposia III and IV · simultaneous Rooms A and B    |
| 13:30–15:00 | Lunch                                               |
| 15:00–17:00 | Symposia V and VI · simultaneous Rooms A and B      |
| 17:00–18:30 | <b>IUBMB Lecture</b> · <i>Vladimir Parpura</i>      |
| 18:30–20:30 | <b>Posters &amp; Beer</b> · Hall B                  |
| 20:30–21:30 | General Assembly                                    |
| 21:30       | Dinner                                              |

### Symposium Schedule · 11:30–13:30

| Room | Symposium | Section      |
|------|-----------|--------------|
| A    | III       | Microbiology |
| B    | IV        | Cell Biology |

### Symposium Schedule · 15:00–17:00

| Room | Symposium | Section                                                                                  |
|------|-----------|------------------------------------------------------------------------------------------|
| A    | VI        | PABMB Plants Symposium (Pan American Association for Biochemistry and Molecular Biology) |
| B    | V         | Lipids                                                                                   |

### Oral Communications Schedule · 08:00–09:30

| Room | Sections |
|------|----------|
| A    | Plants   |
| B    | Lipids   |

### Posters & Beer · Hall B

Microbiology · Signal Transduction · Cell Biology · Biotechnology · Neurosciences

WEDNESDAY · November 4

| Time        | Activity                                   |
|-------------|--------------------------------------------|
| 08:00–10:00 | Posters & Coffee                           |
| 10:00–11:30 | Plenary Lecture · <i>Javier Martinez</i>   |
| 11:30–13:00 | Torres Lecture · <i>Gabriela Pagnussat</i> |
| 13:00–14:00 | Awards and Closing Ceremony                |
| 14:00–15:00 | Farewell Lunch                             |

Posters & Coffee

Plants · Lipids · Structural Biology

*Updated program · subject to organizational adjustments*
